I would call the attention of my friends and the public to my large stock of Buggy, Carriage and Wagon work now on hand, direct from the factories of Busbey, Little & Co. and E. Hayes & Co., Wheeling, Va., embracing all their various styles, from the finest Phæton to a skeleton sulky, including their celebrated New Style Prince Albert Family Buggy, which for comfort, ease and convenience, stand at the head of all Buggies, and their Steel Tire Light work, for young men, fast driving, etc. I challenge the Buggy world for its superior.

and their Steel Tire Light work, for young men, fast driving, etc. I challenge the buggy world for its superior.

In reference to workmanship, style, guarantee, etc., I will say that I have, during the last sixteen years, sold in Southern Kentucky and this State, over three hundred jobs of this work, and to those who have bought and used it, including the livery men of this city, I would refer you, being willing that the work shall answer for itself. With this understanding, if you or your friends should buy any of this work, and by fair usage it fails to give satisfaction, you will confer a special favor on the manufacturers by calling on me and having it repaired by Baker & Bro., of this city, at their expense, or permit me to approve your money until you are satisfied.

Prices as low as any first-class work in any western city.

Sole Agent for Southern Kentucky and Middle Tennessee.

P. S.—I would cantion my friends and the public against peddlers and irresponsible parties claiming to sell this work. The manufacturers have but one agency for Southern Kentucky and Middle Tennessee.
